Selling 44 Charolais Bulls

10 Head F1 Black Baldy 2 Year Old Heifer Pairs
with Charolais Calves by Side

Welcome

TO OUR FIRST BULL SALE

We are very excited to share the Charolais breed with you. Our very first bull crop was out of first calf heifers exclusively and boy did they do an outstanding job! We started using only Cardinal Charolais bulls on our black hided production herd 10 years ago and haven't looked back. Cardinal Charolais bulls have more than proven that they will work in our area. So, we went straight to the source purchased 50 replacement heifers from our friends and partners at Cardinal Charolais. These genetics have it all: calving ease, performance, disposition, longevity. In fact, we have a 9-year-old bull that still goes out and earns his keep.

We are honored to have Cardinal Charolais bring an outstanding set bulls from Hillrose, Colorado to ensure that there is a bull that will fit everyone's needs. Many producers are hung up on chasing the \$30-\$40/head Certified Angus premiums but don't realize that they are giving up \$250 or more as a result of lower feed efficiency and performance. With the added value of cross breeding chasing the premiums is simply not necessary. Charolais cross calves are adding better growth, better feed efficiency, and better overall performance.

We have been using Charolais bulls on our replacement heifers for the last 3 years with amazing results. At weaning time they fit right in, you can only pick them out by tag number. We are proud to offer 10 pairs of F1 black baldies, taken from the heart of our replacement herd and ready to go to work for you.

SINCERELY,

Chris and Malinda Matthew

Sale Information

GUARANTEE:

All bulls sold qualify for a first breeding season guarantee. They are guaranteed throughout the first breeding season against injury or death. If a replacement bull is not available, credit will be issued at the next annual sale. All claims for replacements need to be made by September of the current year.

ANNOUNCEMENTS:

Announcements from the auction block on sale day take precedence over information in this catalog.

ABSENTEE BIDS:

If you cannot be with us sale day, we will handle any bids in confidence. Call any of our sale day representatives. We will guarantee your bull to meet your satisfaction when buying sight unseen.

SALE DAY PHONES:

Chris: 719-980-2852

Pat: 970-380-1355

Winter Livestock: 719-384-4491

DELIVERY:

Another added value of our program is free delivery.

FERTILITY:

Every bull offered for sale will have passed a complete breeding soundness exam.

HERD HEALTH:

All Cattle have been double vaccinated against IBR, BVD type 1 & 2, BRSV, PI3, Pasteurella and Vibrio/Lepto.

GENOMIC-ENHANCED PLUS LOGO:

DNA genetic evaluations are a way to enhance selection and characterize genetics for animals for those traits that impact the profitability of beef production. Improvements in technology have now made it possible to further enhance predictability of our current selection tools with the incorporation of DNA values into our evaluations and improving accuracy of EPD, particularly for younger animals. DNA technology now along with pedigree, performance and progeny information can be used in the calculation and reporting of EPD.

5 BLACK BALDY HEIFER PAIRS

At the Beginning of the sale we are offering two lots of 5 head each of 2-year-old F1 black baldy heifer pairs. The heifers are sired by Holden Hereford bulls and out of Black angus cows. The calves are sired by OW Maximizer 3041 PLD. All calves are tagged to match the cows. The calves have had one dose of 7-way, Titanium 5, and Pasturella. All bull calves have been castrated. The cows have been Ivomec back poured and given Fosoguard for foot rot. This is a gate cut from the heart of our commercial replacement program. The 2 year olds are open and ready to breed. We have done all the work, all that is left is to put your brand on them and turn the bull in.
